Description

Looking for a highly unique business/wallet card that is truly unforgettable? These animated flip image wallet cards will be remembered by everyone. Unlike a traditional business card that is printed with a single image on the front, these animate from one image to another – and back again.

FRONT is an animated FLIP image custom printed in full-color. Simply submit two images and we'll do the rest. Art requirements and templates provided below.

BACK is your choice of your business card, calendar or any advertising copy Credit Card
Size: 2.125" W x 3.375" H No set-up charge on any STOCK design

Artwork

We provide up to an hour of design time totally free. Includes images, layout and high resolution file ready for printing. Some projects require additional design time. Design time includes an initial sample and 3 rounds of changes. Additional time and changes will be quoted.
