Price: \$139.00

Short Description

Starting from

Description

Top quality Brochures printed in full color on industry standard 100LB Semi Gloss Enamel paper. Finished with gloss coating and folded.

Paper

100LB Enamel White SemiGloss with Aqueous Coating for glossy finish, No coating or UV High Gloss Coating.

Artwork

We provide up to an hour of design time totally free. Includes images, layout and high resolution file ready for printing. Some projects require additional design time. Design time includes an initial sample and 3 rounds of changes. Additional time and changes will be quoted.

Production Time

Orders Approved and Payment Processed* By 9AM PST / 11AM CT / 12PM ET:
Turnaround time begins that day.

Orders Approved and Payment Processed* After 9AM PST / 11AM CT / 12PM ET:
Turnaround time begins the next business day.

*Any issues with submitted files and/or payment may delay your order.

For example, if an order is approved and charged by 9AM PST on Tuesday, and the Turnaround Time for the product is three days, printing will be completed on Thursday. If the order is approved and charged AFTER 9AM PST on Tuesday, printing will be completed on Friday.

To view the print time for your product, you may either refer to this page, or the order page and/or pricing page. The most accurate print time will appear once you have selected all of the printing options for your order. Print time begins after approval and processed payment of your order. Any issues with submitted files and/or payment may delay your order.
