Description

Our postcards are printed on the highest quality papers. Perfect for handing out at events or sending using regular mail.

Paper

14 pt. Gloss Coated Cover (C2S) with High Gloss UV coating on both sides.

The Gloss Coated Cover is a long-lasting, heavy, and thick card stock with High Gloss UV Coating on the surface for exquisite shine and vibrant colors that come to life—it's no wonder it's our most popular stock! This stock has high color saturation for exquisite contrast and range. Our rich High Gloss UV Coating has the highest quality and provides protection against stains and damage. You cannot write or print on products with High Gloss UV Coating.

Artwork

We provide up to an hour of design time totally free. Includes images, layout and high resolution file ready for printing. Some projects require additional design time. Design time includes an initial sample and 3 rounds of changes. Additional time and changes will be quoted.
